Native Milkweeds

Western (California) Native Milkweeds

- *Asclepias fascicularis* - Narrowleaf Milkweed
- *Asclepias speciosa* - Showy Milkweed

Other California Milkweeds

- *Asclepias albican* - White Stemmed Milkweed
- *Asclepias asperula* - Spider Milkweed
- *Asclepias asperula* ssp. *asperula* - Spider Milkweed
- *Asclepias californica* - California Milkweed
- *Asclepias cordifolia* - Purple or Heartleaf Milkweed
- *Asclepias cryptoceras* - Humboldt Mountain Milkweed
- *Asclepias eriocarpa* - Indian Milkweed
- *Asclepias erosa* - Desert Milkweed
- *Asclepias latifolia* - Broadleaf Milkweed
- *Asclepias linaria* - Needle Leaf Milkweed
- *Asclepias myctainifolia* - Mojave Milkweed
- *Asclepias solanoana* - Serpentine Milkweed
- *Asclepias subulata* - Alamete
- *Asclepias vestita* - Woolly Milkweed

Exotic Milkweed

- *Gomphocarpus Physocarpus*
Balloon Plant
- *Asclepias Curassavica*-
Tropical

St James Academy

A Federal Green Ribbon Award School

The kids studied the importance of keeping water on the property, then went and installed a garden swale in the outdoor classroom.

A Gardening/Sustainability student is interviewed by a local news station about the planning and installation of the new pollinator garden and outdoor classroom.

The school's edible garden also hosts a variety of vegetables, including a sensory herb garden that attracts pollinators.
